## **SOILS REPORT REVIEW VERIFCATION**

The registrant may use this form as a guideline and choose to submit the following information on their company letterhead.

| SUBDIVISION:                   |                          |                              |              |
|--------------------------------|--------------------------|------------------------------|--------------|
| DATE:                          |                          |                              |              |
| A soil investigation was cond  | ducted by                |                              | and          |
| labeled project #              | , dated                  | . As the engineer of reco    | ord for the  |
| above mentioned project, I h   | nave reviewed this so    | ils report and have designed | I the        |
| following foundation:          |                          |                              |              |
| The foundation has been de     | signed to an allowabl    | e soil bearing pressure of   |              |
| at a depth of below            | natural grade. This      | bearing pressure can be atta | ained        |
| provided the earthwork is ac   | complished in accord     | lance with the recommendat   | tions of the |
| soils engineer in the soils re | port. The following a    | re additional requirements o | r            |
| information regarding the so   | il conditions of this pr | oject:                       |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          |                              |              |
|                                |                          | Affix Seal (Hand S           | ign & Date)  |
